EDITOR'S MESSAGE

I am pleased to place in your hands the current issue of our Archdiocesan Bulletin – the Messenger on the feast on the Assumption of the Blessed Virgin Mary and the 79th Independence Day of our country.

It is with great joy and gratitude that I greet you through the pages of this edition of the Archdiocesan Messenger. We begin on a note of celebration — heartfelt congratulations to our students, parents, and teachers for the excellent results achieved this year! Your dedication, discipline, and determination have borne fruit, and we thank God for blessing your efforts. These results are not only about marks and ranks; they reflect the strength of the value-based and inclusive education that is the hallmark of our Archdiocesan Institutions.

Our schools and catechetical programmes continue to shape young hearts and minds to grow in wisdom, faith, and service. I am deeply encouraged by the many reports we have received from parishes, religious houses, and institutions. They show us that the Church in Nagpur is alive and active, reaching out to all in the spirit of the Gospel.

This year, we are also taking steady steps in strategic planning — at the Archdiocesan, Deanery and Parish levels — so that our pastoral activities, faith formation, and community service may bear even greater fruit. Our key thrust areas are vibrant with life: summer camps in our schools and parishes, youth gatherings, Bible studies, outreach to the poor, and other creative initiatives that draw us closer to Christ and to one another.

Let us move forward with full vigor and joy, knowing that the Holy Spirit continues to guide our mission. I wish all of you the very best as we keep working together to build a community of faith, hope, and love.

A special word of thanks to our devoted Editorial Team, whose cooperation, creativity, and timely efforts made it possible to bring this bulletin to you. Your service is truly appreciated.

May Mary, our Mother, intercede for us, and may the Lord bless every good work we undertake in His name.

SHEPHERD SPEAKS

As we enter the month of September, the Catholic Church across the world is preparing for the celebration of the Nativity of the Blessed Virgin Mary. In our parishes, the faithful gather for novenas, prayer, and reflections contemplating Mary's life and virtues as a model for all disciples. Mary, the first and most faithful follower of Jesus, teaches us how to turn life's challenges into opportunities. Her journey of accompaniment with Christ is a constant reminder to us that discipleship requires courage, fidelity, and openness to God's will.

Our present world is also marked by profound challenges. Wars and conflicts continue to endanger peace; ecological imbalance and environmental degradation threaten human life and relationships; and education itself struggles to respond to the deeper needs of human civilization. In the face of these realities, we are called to draw inspiration from Mary's example — transforming challenges into opportunities for hope, faith, and renewal.

This issue of 'The Messenger' reflects particularly on education and leadership, exploring how faith-inspired leadership can bring about transformation in today's world.

1. The Mission of Catholic Education: Beyond Academics

Catholic education is not limited to academic achievement or intellectual excellence. It is a sacred mission: to form whole persons who are intellectually competent, spiritually rooted, morally upright, and socially responsible. This requires leaders who are not just administrators, but visionaries and mentors — educators who embody the Gospel and shape society with justice and compassion.

2. Leadership as Service and Witness

In the Catholic tradition, leadership is service. Jesus Himself reminds us: "Whoever wants to become great among you must be your servant" (Matthew 20:26). Catholic leaders in education are called to be pastoral, inclusive, and Christ-centered: inspiring with integrity, accompanying their communities, and creating environments where faith is lived, justice practiced, and every child recognized as made in the image of God.

3. Current Challenges and Prophetic Leadership

We live in an age of rapid technological shifts, moral relativism, economic inequality, and growing secularism. Catholic leaders must respond prophetically — with courage, discernment, and resilience. Our schools and colleges cannot remain silent observers; they must be beacons of truth and hope, offering alternatives to consumerism, individualism, and superficial success.

4. Leadership in Collaboration

No leader stands alone. Effective Catholic education requires collaboration — engaging teachers, parents, students, parishes, and civil society. By sharing resources, best practices, and spiritual nourishment, our institutions strengthen one another and bear more credible witness to the Gospel.

5. Rooted in Christ: The Ultimate Leader

Our ultimate model is Jesus Christ — the Good Shepherd, Teacher, and Servant-King. He led with humility and love, guiding from within rather than from above. Catholic leadership must likewise be rooted in prayer, open to the Spirit, and attentive to the needs of the poor, the marginalized, and the forgotten.

Catholic education remains one of the Church's most powerful instruments of evangelization and transformation. As leaders, we are entrusted with shaping not only the future of individuals but the very fabric of society. Let us renew our commitment to lead with faith, courage, and compassion, so that every student may grow into the fullness of life that Christ promised.

I invite all Teachers, Parents, and community members to play a co-responsible and collaborative role in this mission, so that together we may transform our educational institutions into true temples of transformation for our society, our nation, and the world.

May Mary, Seat of Wisdom, and Saint Joseph, patron of educators, intercede for us as we continue this sacred mission of Catholic education and faith-filled leadership.

I extend my heartfelt wishes to all on the joyous Feast of the Nativity of the Blessed Virgin Mary, also lovingly known as the Feast of Our Lady of Vailankanni. May our Blessed Mother, through her maternal intercession, bring peace, joy, and blessings upon each one of us and our families.

THE SPIRITUAL LEGACY OF POPE FRANCIS: A SHEPHERD OF MERCY AND REFORM

By: Ms. Zurica Kevin Pinto

Pope Francis, the 266th pontiff of the Catholic Church, in the 12 years of his pontificate, left an indelible mark on the world through his profound teachings, humility, and unwavering commitment to the Gospel. His papacy was defined by a call to live the values of fidelity, courage, and universal love, especially in service to the poorest and most marginalized. As the first pope from the Americas and a Jesuit, his leadership brought a fresh perspective to the Church, emphasizing mercy, inclusivity, and care for creation.

Apostolic Constitutions: Foundations of Church Governance

Pope Francis issued several Apostolic Constitutions that shaped the governance and mission of the Church. *Vultum Dei Quaerere* (2016) provided new guidelines for women's contemplative life, affirming the importance of prayer and community in monastic traditions. *Veritatis Gaudium* (2017) renewed the framework for ecclesiastical universities and faculties, promoting intellectual formation rooted in truth and dialogue. *Pascite Gregem Dei* (2021) revised Book VI of the Code of Canon Law, strengthening the Church's penal discipline to ensure justice and pastoral care. *Praedicate Evangelium* (2022) reformed the Roman Curia, emphasizing service, evangelization, and synodality in Church administration. *Ecclesiarum Communionem* (2023) restructured the Vicariate of Rome, reinforcing the pastoral care of the local Church. These constitutions reflect Pope Francis' commitment to a Church that is mission-oriented, just, and deeply rooted in faith.

Additionally, Pope Francis oversaw the erection of numerous new dioceses across the globe, ensuring pastoral care and ecclesial presence in regions with growing Catholic communities. One notable example is the establishment of the Diocese of Lüliang in China, which became a suffragan of the Archdiocese of Taiyuan. This reflected his commitment to strengthening the Church's presence in diverse cultural and geopolitical contexts. His efforts in creating new dioceses helped expand the Church's mission, providing local communities with greater access to spiritual guidance and sacramental life.

Encyclicals: A Testament to His Vision

Pope Francis authored several groundbreaking encyclicals that addressed pressing global issues. *Lumen Fidei* (2013), his first encyclical, explored the profound gift of faith and its transformative power in illuminating human existence. *Laudato Si'* (2015) called for urgent action to combat climate change and protect the environment, framing ecological care as a moral obligation. *Fratelli Tutti* (2020) emphasized fraternity and social friendship, urging humanity to transcend divisions and build a more just and peaceful world. *Dilexit Nos* (2024) reflected on the divine and human love of the Heart of Jesus Christ, inviting the faithful to rediscover the depth of Christ's love. These documents not only resonated within the Church but also influenced global discourse on environmental and social justice.

Apostolic Exhortations: Guiding the Faithful

His apostolic exhortations provided spiritual guidance and pastoral care. *Evangelii Gaudium* (2013) encouraged a renewed missionary zeal and joy in spreading the Gospel. *Amoris Laetitia* (2016) offered a compassionate approach to family life, addressing contemporary challenges with understanding and love. *Gaudete et Exsultate* (2018) emphasized the universal call to holiness in everyday life, inspiring the faithful to seek sanctity in ordinary circumstances. *Christus Vivit* (2019) was a heartfelt message to young people, urging them to embrace their faith and live with hope and courage. *Querida Amazonia* (2020) presented dreams for the Amazon region, advocating for ecological care and the rights of Indigenous peoples. *C'est la confiance* (2023) celebrated the merciful love of God, inspired by the spirituality of Saint Therese of the Child Jesus. These exhortations reflected his vision of a Church that walks alongside its people.

Jubilees, Bulls and Declarations:

During his papacy, Pope Francis celebrated significant jubilees that revitalized the spiritual life of the Church. These jubilees served as moments of grace, fostering unity and spiritual renewal among the faithful.

- **Milestones of Mercy**

The *Misericordiae Vultus* (2015) bull proclaimed the Extraordinary Jubilee of Mercy, a year dedicated to forgiveness and reconciliation. This initiative underscored his belief that mercy is the essence of God's nature and the Church's mission.

The Extraordinary Jubilee of Mercy (2015-2016) was a hallmark event, inviting Catholics worldwide to experience God's boundless mercy.

- **Celebrations of Faith and Renewal**

Spes Non Confundit (2024), the bull of indiction for the Ordinary Jubilee of 2025, centered on the theme of hope, inspired by the words of St. Paul: "Hope does not disappoint" (Romans 5:5). This bull invited pilgrims to experience the Holy Year as a profound encounter with Christ, the "door" of salvation, and emphasized the transformative power of hope in a world often marked by uncertainty. The Jubilee of 2025, themed "Pilgrims of Hope," reflects his enduring vision of a Church that inspires faith and hope in a fragmented world.

Motu Proprio: Strengthening the Church's Mission

Throughout his papacy, Pope Francis issued several *Motu Proprio* documents—apostolic letters issued on his own initiative—to refine Church governance, deepen spiritual engagement, and address contemporary challenges. Among them, the Statutes of the Pope's Worldwide Prayer Network (2024) formalized the mission of this global initiative, which traces its roots to the Apostleship of Prayer. This network, entrusted to the Society of Jesus, fosters prayer for the intentions of the Holy Father and promotes a spirituality of compassion. Other significant *Motu Proprio* documents include *Vos Estis Lux Mundi* (2019), which established new norms for addressing sexual abuse within the Church, and *Praedicate Evangelium* (2022), which restructured the Roman Curia to emphasize evangelization and service. These apostolic letters reflect Pope Francis' commitment to a Church that is transparent, mission-driven, and deeply rooted in prayer.

General Audiences and Homilies: A Source of Inspiration

Pope Francis' general audiences and homilies were a treasure trove of wisdom, offering reflections on Scripture, human dignity, and the challenges of modern life. He often spoke about the importance of hope, the dangers of consumerism, and the need for solidarity with the marginalized. His teachings were accessible and relatable, touching the hearts of millions.

Prayers During the COVID-19 Pandemic: A Beacon of Hope

In the face of the global COVID-19 pandemic, Pope Francis became a symbol of hope and resilience. His solitary Urbi et Orbi blessing in an empty St. Peter's Square was a poignant moment, as he prayed for the Universal Church and the entire world. His prayers emphasized solidarity, compassion, and trust in God during a time of unprecedented suffering and uncertainty.

A Pontiff on the Move: Spreading Love Across the Globe

Throughout his pontificate, Pope Francis consistently emphasized his love for the poor, the forgotten, and the marginalized. His first apostolic journey to Lampedusa in 2013 set the tone for his papacy, as he prayed for migrants who had lost their lives at sea and called for greater compassion toward refugees.

Pope Francis' travels were a testament to his desire to spread love and build bridges. From his historic visit to the Arabian Peninsula, where he signed the Document on Human Fraternity, to his pilgrimage of penance in Canada, where he apologized for the Church's role in the abuse of Indigenous peoples, his journeys were marked by acts of humility and reconciliation.

Uniquely, Pope Francis ventured into places where previous popes had never set foot, breaking barriers and reaching communities on the peripheries of society. His visit to Iraq in 2021 was a historic moment, as he became the first pope to travel to the war-torn nation, bringing a message of hope and solidarity to Christians and other religious minorities. He also visited South Sudan, Mongolia, and Myanmar—countries that had never before received a papal visit—demonstrating his deep concern for those living on the fringes of global attention.

His encounters with prisoners, the homeless, and those suffering from social exclusion reflected his belief that the Church must be present where suffering is greatest. His visits to conflict zones and marginalized communities highlighted his commitment to peace and justice. His travels were not merely diplomatic or ceremonial; they were acts of profound pastoral care, embodying his vision of a Church that walks alongside the most vulnerable.

Salus Populi Romani: A Devotion to Mary

Pope Francis' deep devotion to the icon of Salus Populi Romani in the Basilica of St. Mary Major was a defining aspect of his spiritual life. This Byzantine-style image of the Virgin Mary, revered as the Protectress of the Roman People, held a special place in his heart. From the very beginning of his papacy, he made it a tradition to visit the basilica before and after each apostolic journey, entrusting his intentions to the Blessed Mother and thanking her for her maternal care. His frequent visits to this Marian shrine reflected his deep love for the Blessed Mother and his reliance on her intercession.

In his final testimony, Pope Francis expressed his heartfelt desire to be laid to rest in a simple tomb in the niche of the side nave, between the Pauline Chapel (home to the Salus Populi Romani icon) and the Sforza Chapel. True to his humble nature, he asked that his tomb be modest, without elaborate decoration, bearing only the inscription "Franciscus". It is fitting that this basilica, a place of solace and prayer for him, will be his final resting place, symbolizing his lifelong dedication to the Church and its people.

DECREE

On the Norms Governing Mass Offerings and Intentions

We, His Grace Most Rev. Elias Gonsalves, by the grace of God and the Apostolic See, Archbishop of Nagpur and Metropolitan, together with the Suffragan Bishops of the Ecclesiastical Province of Nagpur, namely, Most Rev. Bernard Lancy Pinto of the Diocese of Aurangabad, Most Rev. Malcolm Sequeira of the Diocese of Amravati, having assembled in Provincial Meeting on the 11th day of August 2025, and acting in accordance with the prescriptions of the Code of Canon Law, particularly *Canon 952 §1*, Mindful of our pastoral duty to provide clear and uniform norms for the entire Province, and having duly deliberated in common council, Hereby promulgate the following laws, binding on all dioceses in the ecclesiastical jurisdictions, concerning Mass offerings and the regulation of Mass intentions.

Article 1-Norm on Mass Offerings

1. In accordance with *Canon 952 §1*, the offering for the celebration and application of a Mass within the Province of Nagpur is fixed at ₹100.

Article 2-Right to Receive Mass Offerings and Prohibition of Trafficking

1. In accordance with *Canon 945 §1*, any priest who celebrates or concelebrates the Holy Mass is permitted to receive an offering to apply the Mass for a specific intention, in accord with the approved practice of the Church.
2. In conformity with *Canon 947*, any appearance of trafficking or trading in connection with Mass offerings is strictly prohibited and must be entirely excluded.

Article 3-Collective/Multiple or Pluri Mass Intentions

1. In accordance with the provisions of *Mos iugiter* (1991), Article 2, and *Secundum probatum* (2025), two Collective Masses shall be celebrated each week. For the sake of uniformity in our Province, these shall be prescribed as one on Wednesday and another on Saturday/Sunday. One additional Mass on Sunday as Box intention Mass is optional for the bigger parishes.
2. In parishes where more than one Mass is celebrated on week days, only one Mass on each of the designated days shall be offered as a Collective Mass.
3. The priest who celebrates the Collective Mass may retain one stipend equivalent to the rate prescribed by the Provincial Council. The remaining amount shall be submitted to the Bishop's House/ CDF Fund or Chairty fund of the Parish.
4. The Parish Priest may choose to announce all the individual intentions of the Collective Mass, to announce the total number of intentions, or to group them under general headings.
5. The faithful offering these Masses must, in advance, be explicitly informed and must freely consent to the combining of their offerings into a single Mass. Their intentions shall be satisfied by the celebration of a single Mass according to a "collective" intention

Article 3-Box intention

by In accordance with Canon 948, which prescribes that separate Masses are to be applied for the intentions of those for whom a single offering, however small, has been given and accepted, it is hereby stipulated that one "Box Intention" Mass shall be celebrated each week for the intentions of the poor who cannot afford to pay the full stipend. Such intentions, even when accompanied a small offering, may be submitted and shall be collectively fulfilled in this Mass. For the sake of uniformity, this Mass shall be celebrated on Friday or Sunday in each parish. In parishes where more than one Mass is offered on Friday, one Mass shall be designated as the Box Intention Mass, while for the other Masses only a single intention shall be accepted.

The priest who celebrates this Mass may retain an amount equivalent to one stipend at the rate prescribed, and the remaining amount shall be remitted to the Bishop's House/ CDF Fund or charity fund of the Parish.

Article 4- Missa pro Populo and Collective Intentions

In accordance with Canon 534 §1, the parish priest is bound to apply the Mass for the people entrusted to his care on Sundays and holy days of obligation. In particular cases, the parish priest may approach the local Ordinary, who will decide whether this obligation may be fulfilled on a weekday.

Article 5 - Mass Intentions for the Deceased on Commemorative Days

It is further stipulated that, in the case of special commemorations for the deceased-such as the third day Mass, the seventh day Mass, the month's mind, or fortieth day, faithful are to be encouraged to give that mass in the collective mass that is already prescribed for two days a week. In exceptional case a second intention may be accepted so that the faithful are not deprived of the opportunity to have the Mass offered. These intentions, however, shall be celebrated within a single Mass. This exception is granted solely for the aforementioned occasions and for no other reason.

Article 6 - Multiple Intentions during Novena Celebrations

During the Novena in honour of the Nativity of the Blessed Virgin Mary (September 8), the Feast of Our Lady of Vailankanni, and the proper patronal feast of the Parish Church, one Mass on each day of the Novena may be offered with multiple intentions. This provision is made in view of the devotional practice of the faithful and their desire to offer Mass intentions during these celebrations.

Given at Nagpur, this 15 day of August, on the Solemnity of the Assumption of our Blessed Mother in the Year of Our Lord 2025

By the authority of the Sacred Canons and in accordance with the Code of Canon Law and *Secundum probatum* (13 April 2025), the Archbishop of Nagpur and the Bishops of the Province promulgate these norms on Mass offerings and intentions, **effective 8 September 2025 on the feast day of the Nativity of our Blessed Mother**, for all dioceses, parishes, and institutions in the province.

Subject: Purchase of Land by Religious Congregations in the Archdiocese of Nagpur

Dear Reverend Fathers, Brothers, Sisters, and Members of Religious Congregations,
Greetings in the name of the Lord!

It has come to my attention that in some instances, Religious Congregations operating within the territory of the Archdiocese of Nagpur have proceeded with negotiations or purchases of land without prior intimation or permission from the diocesan bishop. In this regard, I wish to provide a pastoral and canonical clarification to ensure mutual respect, transparency, and communion in ecclesial operations.

According to Canon 609 §1 of the Code of Canon Law, ***"A religious house is established with the prior written consent of the diocesan bishop, by the authority competent according to the constitution."*** Therefore, no Religious Congregation is to purchase land in the Archdiocese of Nagpur with the intention of establishing a house, convent, formation house, School, or apostolic work without first obtaining explicit written permission of the Diocesan Bishop.

It is to be understood that purchasing land with a view to forming a community (Canon 610), or undertaking apostolic activity (Canon 678 §1), necessarily implies the future erection of a religious house, which requires the prior consent of the bishop. The mere civil acquisition of property does not grant the right to initiate ecclesial activities or construct a religious residence (Cf. *Guidelines of the Archdiocese of Nagpur, Pages 174-176*).

While the Code does recognize the right of religious institutes to acquire and own property (Canon 634 §1), such rights must be exercised in harmony with the pastoral and canonical discipline of the local Church. Henceforth, all Religious Institutes functioning or intending to function within the Archdiocese are required to write formally to the Diocesan Bishop seeking permission before any land purchase. Those already in negotiation stages are requested to halt proceedings until due consultation and permission are granted.

Let us continue to walk in fraternal collaboration for the upbuilding of the Church by not duplicating or overlapping the institutional network.

With prayerful regards,
Yours sincerely in Christ,

✠ Elias Gonsalves
Archbishop of Nagpur

MASS INTENTIONS IN THE CANONICAL TRADITION

The practice of offering stipends for the celebration of Masses has a long history in the Church, safeguarded by canonical norms to preserve its dignity and pastoral integrity.

General Principles

According to Canon 945 §1, priests are permitted to receive offerings to apply the Mass for specific intentions. At the same time, Canon 947 insists that any appearance of trafficking or commerce must be strictly avoided. Normally, as Canon 948 prescribes, each offering is to be applied to a separate Mass.

Mos Iugiter (1991)

This document was the first to introduce an exception to the general principle of “one Mass – one offering.” Mos Iugiter (issued by then Congregation for the Clergy on 22 February 1991) permitted the celebration of Masses with “collective intentions.” Such celebrations are allowed only when the faithful making the offerings are clearly informed and freely consent. Moreover, a collective intention Mass may not be celebrated more than twice a week, and the time and place must be publicly announced. Since it is an exception to the general rule, it must always be applied and interpreted in a strict sense.

Secundum Probatus (2025)

On 13 April 2025, the Dicastery for the Clergy issued *Secundum Probatus* (Forma Specifica), which came into effect on 20 April 2025. Taking its title from the words of Canon 945 “*secundum probatum Ecclesiae morem*”, the document reaffirms the legitimacy of stipends while emphasizing pastoral clarity, transparency, and the spiritual good of the faithful.

It highlights that the Mass is one act of worship and must not be fragmented or commercialized. Pluri-intentional Masses may be permitted, provided dignity, fruitfulness, and transparency are safeguarded. Excess stipends should be directed towards mission territories or ecclesial purposes, never for personal use.

Practical Guidelines

Parish priests and rectors must keep clear records (Can. 958), ensure the faithful understand collective Masses, and avoid scandal. Bishops should issue annual instructions (Can. 955 §2) and regulate practices. Faithful should understand that offerings are gifts of love, not payments, and that the Mass is primarily sacrifice, not transaction.

Future Perspective

Until regional bishops' councils issue specific decrees, Mos Iugiter remains normative (Art. 6). A review of *Secundum Probatus* is scheduled for 2035, ensuring continued reflection on this delicate area of pastoral life. At its heart, the Church reminds us: “The spiritual good of the faithful must never be compromised for material gain or convenience.”
